Administration

To The Class of 2000:

Congratulations! The entire faculty, staff and administration of Rutland High School joins with me in extending to you best wishes for the years ahead.

Over the course of your four years the Class of 2000 has distinguished themselves in the classroom, as well as in athletics, the fine arts, and in the community.

You have successfully completed some of the most rigorous graduation requirements in the State while presenting yourselves as role models for underclassmen and many of our elementary students.

You have "given back" countless hours of service to your communities. Your commitment to your school, community and families has been exemplary.

We have watched you grow for the past four years. And now you are poised, ready to meet the future head-on. We are very proud of each of you and are confident that you will take your place in society as responsible, productive and conscientious citizens.

You have made Rutland High School proud.

Sincerely,

Bruce L. Gee, Principal

Mr. Lattanzi, Asst. Principal

Mr. Olson, Asst. Principal
Athletic Director

Secretaries: F. Favor, B. Kapitan,
A. Pezzetti.

Yogi Hackett, Truant Officer

Aren't you
hand-cuffing the
wrong person??

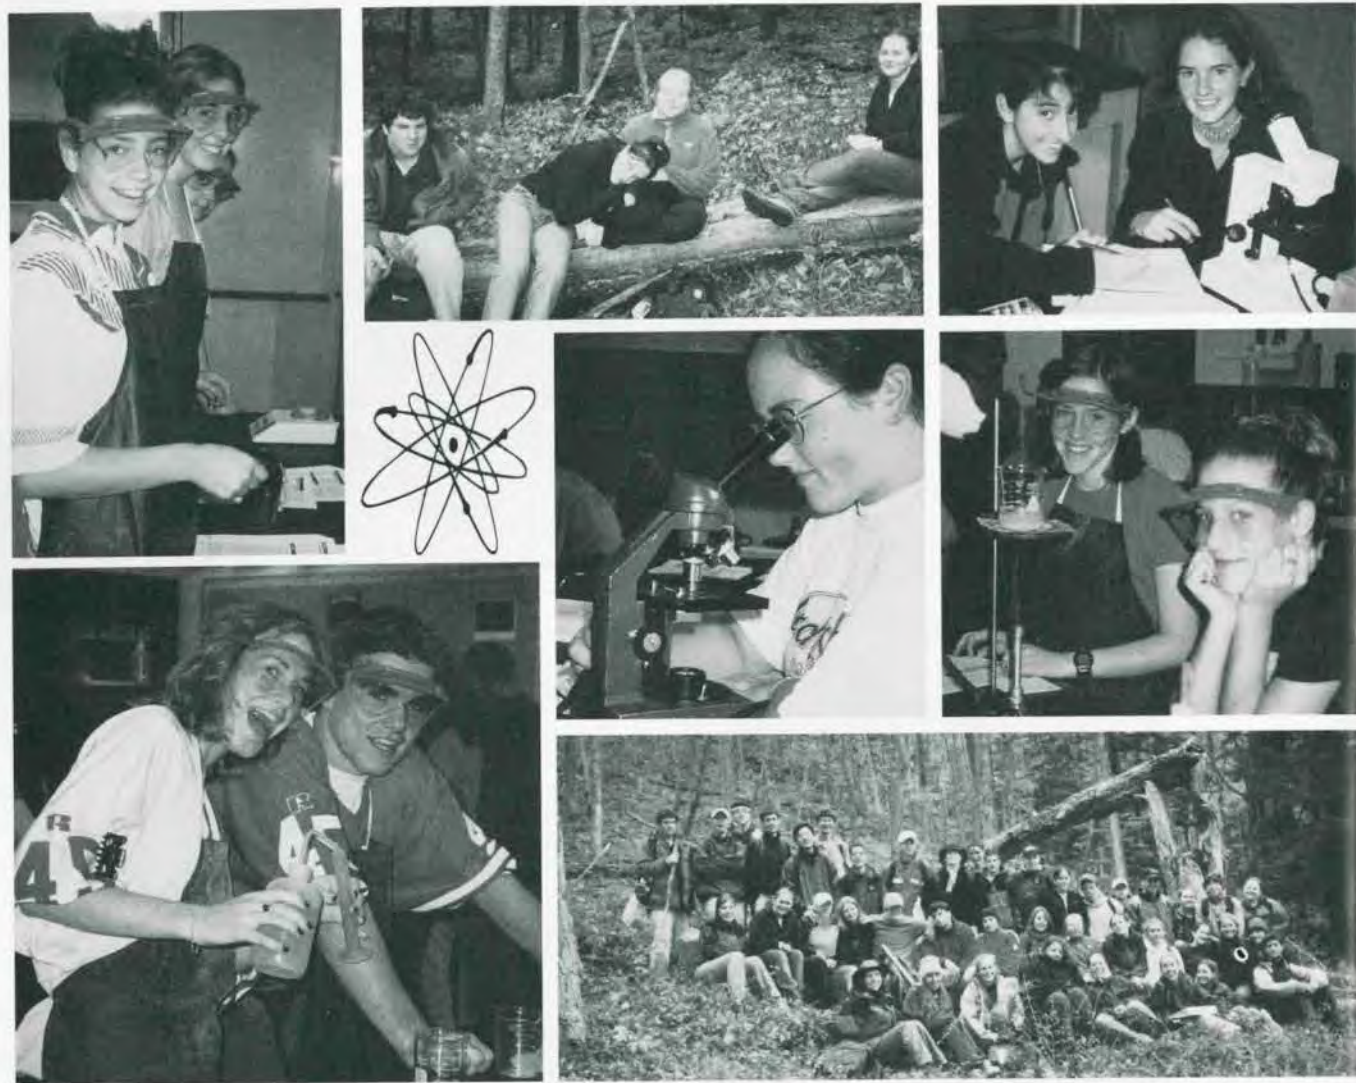

Mr. Gee gets to
do all the cool
things.

YES PLAN 1999

An Alternative To The Same Old...

Above: Mr. Kreitzer gets the crowd going in GMTI

Above: Wait...what ...how do you do that??

YES Plan gives RHS students an opportunity to study one or two classes of choice at the end of the school year and have a good time doing it. Classes range from trips out of the country to knitting and forensics. There is a great variety of fun courses for everyone. Teachers enjoy the change too. Overall YES Plan is a popular program that gives students out of the classroom, non-textbook, hands on experiences. It is a great way to end the school year.

Below: Getting down and dirty with the gardening class.

Vertical Adventures teaches the necessary skills for rock climbing and rappelling. here students learn indoors first.

Team work!

Building the set for Barnam!!!

Students are working on projects they will donate to a local nursing home while learning basic crochet stitches.

Students take a break from their photography class where they learn how to take better pictures.

Jeff Haynes is getting a hard lesson on what to do and how to behave in a mock arrest by the sheriff's department.

Jennifer Archer sews costumes for the musical *Barnam* presented during May Plan

Winter Semi~Formal

On December 10, 1999 the Junior Class sponsored the Winter Semi~Formal. This dance is one of the only dances where the whole student body can come. Everyone was looking their finest on this enchanting evening. We all know everyone had some fun and here are some pictures to prove it.

Debate Team

Advisor: Dr.D

The debate team competes in two-person teams against other schools in Vermont, New England, and the United States. This year the group debated the following resolution: That the federal government should establish an education policy to significantly increase academic achievement in secondary schools in the United States. Our season started with a trip to New York City to compete at the prestigious New York City Invitational Tournament at the Bronx High School of Science, and reached its peak when three of our teams dominated the Manchester-By-The Sea Citizen Judge Tournament, and ended with the State Tournament in Montpelier. We compete as varsity and novices and also take part in the Thursday night Marble Valley Debate League.

Red & White

Advisor: Conrad Tuerk

The students at RHS have always looked to the *Red & White* for breaking news. With a staff of dedicated workers, which includes editor-in-chief Bianca Rotmil and story editor Joe Sternberg, the *Red & White* produce our school newspaper regularly. Although the small, young staff hasn't come out with the quantity they used to, the papers are of better quality. This year they have had such controversial articles as the activities rules and regulations to political issues in Vermont, such as same-sex marriages. The RHS students and faculty are able to respond and express their views on these crucial topics through letters to the editor. The staff continually receives positive feedback and will continue to inform the student body.

A Community *Key Club* Service Organization

This year's Key Club is one of the largest since the club's resurgence three years ago. The students meet every Wednesday at 7:00 p.m. in order to plan their activities. They even plan fund-raisers so that many of the members can go to the State Convention held each spring in Springfield, Massachusetts.

The club does a great deal to help the people in the community. Each year the club members prepare Thanksgiving baskets for needy families in the area. They also participate in wheel-chair square dancing at a local nursing home. This year they added another fund raiser to their agenda. They collected money at Halloween for IDD which is a charity endorsed by the Kiwanis Club who sponsors the Key Club.

Advisors: Mrs. McGurl and Mrs. Kimball

Mountaineers

Advisor: Adam Rosenberg

Rutland's rugged group of intrepid adventurers. They've scaled ice cliffs, treked through wooded forests, and negotiated challenging terrain, establishing a pact between man and nature. "To strive, to seek, to find, and not to yield."

Matt Getty, Emily Rooney, The Robot, Ace, Jessica Zilski

Art Club

Advisor: Steve Halford

This club is an opportunity for the creative minded to work on a variety of projects, both two and three deminsional.

Students can develop a concept on their own or work in a group. It's open to all in a loosely structured manner to fit individuals needs. One of the many projects the members of Art Club created was a float for the 1999 annual Halloween Parade.

Back Row: A. Gardner, M. Goss, Mr. Halford

Front Row: Brian Webster, a close friend, Andrew Burt. **Second Row:** Mr. Hooker, B.J. Hathaway, Sarah Gee, Shibeavhna Devost, Jessica Cochran. Missing: Kurt Anderson, Ginny Haley, Ben Hogan.

Science Club

This year's group had a very active fall semester. They began by organizing the Monarch Butterfly Watch at RHS in cooperation with Kansas State University. The club captured and provided over 75 caterpillars for our science students to raise, tag, and release. They also collected grasshoppers for the Annual Locust Roast, participated in the VPIRG deformed frog Survey, attended a Genetic Update Conference and conducted 2 orienteering exercises, one as a joint project with the mountaineers.

This blurb is being prepared in January, 2000 and our plans for the spring semester are also ambitious. We have formed a team that will travel to Brown University to compete in the New England Regional Science Bowl competition, sponsored by the US Department of Energy. We are organizing the RHS Science fair to be held in March, probably our most visible project. We will also do a fund raising event, snowshoeing (if we get any snow!), a tracking session in Grafton (catamounts?) canoeing, hiking and perhaps, a road trip. Every one is invited to join the club or just come along for select events.

Advisor : George Hooker

Yearbook

The 1999-2000 yearbook staff worked hard to produce a turn of the century yearbook for the students to relive their memories. At the beginning of the year, staff members attended a workshop at the Holiday Inn where they learned how to add a creative edge to our yearbook. The staff also participated in an ad blitz. This allowed for endorsement and publicity to the local companies and our yearbook. During the class, students were able to make page layouts, write articles, and take photos that showed RHS students at their best. The staff was assisted by the co-editors Becky Daley and Allison Maslack. The staff was guided by teacher, Mrs. Mullin. Although this book took many months to complete, the memories will always be treasured.

Advisor : Margaret Mullin

Encore Drama Club Theatre

This year Rutland's Drama Club, Encore Theatre, had another productive and exciting year.

The club performed Agatha Christie's "Go Back For Murder" on Halloween weekend. Two weekends before, some members had spooky fun; by hiding in a haunted cornfield at Garden Time to raise funds.

Encore members attended the New England Theatre Conference at the Grand Hotel in Killington where President Bianca Rotmil and Advisor Cathy Archer lead a special workshop on hosting festivals.

In the new year the club started working on their production of "Orphan Train". The group went on to perform the show at the Regional Theatre Festival in West Rutland. The also performed at the Yankee International Festival.

The group had inductions into the International Thespian Society in the fall. Members also took part in the Vermont Youth Drama Council. This year Encore was represented on the council's executive board with two officers, Bianca Rotmil as president and Jen Archer as secretary/treasurer.

The club officers were as follows...

Bianca Rotmil, President
William L. Grabow, Vice President
Jennifer Archer, Secretary
Richard Sweet, Treasurer
Robby Wetzler, Historian

Advisor: Cathy Archer

VT Teen Leadership Safety Program

VTLSP/ SADD

Students Against Destructive Decisions

Vermont Teen Leadership Safety Program (VTLSP) and Students Against Destructive Decisions (SADD) work hand in hand to address certain issues. These issues include: underage drinking, impaired driving, drug use and other destructive decisions and killers of young people.

These are student driven and adult encouraged organizations that offer safe alternatives. VTLSP and SADD promote positive reinforcements and positive alternatives to destructive behavior.

VTLSP and SADD's goals are action oriented. These organizations empower students to empower themselves.

Some of the projects these groups do are: Save Our Seniors, Dialogue Nights, Red Ribbon Tree, Chain of Life, Seat Belt Safety, Cross-age Peer Training, refuse to Abuse Ski and Snowboard Events, 2000 by 2000 Campaign, and many more activities. They also attend many conferences.

Take that pie in the face!

Green Mountain

GMTI

Teen Institute

The ultimate goal of Green Mountain Teen Institute (GMTI) is to create a safe and healthy environment at RHS. Something that makes this task easier is the fact that GMTI is one of RHS's largest clubs.

The club members try to accomplish their goals throughout the year by sponsoring and taking part in many different events. One of the events that this prevention group sponsors is a Spring Carnival. The carnival features many booths and is very popular with the Rutland community. Members also participate in several programs. Some include Big Friend/Little Friend at Northeast and Northwest Elementary Schools, Diversion, Governors Youth Leadership Conference, several Drinking and Driving Prevention events, and various other special projects.

Advisor: Jerry Kreitzer

Student Council

Advisor: Carolyn Ravenna

Student Council consists of five representatives from each class, elected by their peers. Mrs. Ravenna supervises the election results. Student Council promotes the involvement of the students in the school and in the community. The members of the Student Council meet every other even Wednesday and every other Tuesday night at seven-thirty. This past year members of Student Council organized Adopt a Family, Data Match, Spirit Week, the Bonfire, and other fundraisers. They also address concerns students and teachers have and help to encourage students' opinions with major decisions made in our school.

National Honor Society

Advisor: Betsy Chase

The National Honor Society is a club that inducts Juniors at the end of that academic year. They serve as Seniors and then in the middle of their Senior year they may add a few new members. The selection process is based on Leadership, Character, Service, and Scholarship. They must fill out an application to be inducted. The applicant must maintain a ninety unweighted average. The forms are reviewed by their advisor, Mrs. Chase, and other teachers who select the students who will be honored by being in this club. They meet every other Thursday and the meetings are mandatory. If you do not go to the meeting you are in jeopardy of losing the privilege of being in this club. At every other meeting the group has a guest speaker, from the community. They participate in many activities such as: Habitat for Humanity, Salvation Army Santas, and a Walk-A-Thon. They also went to the lake over the summer for a picnic, and they decorated the Christmas tree in the library.

Junior Engineering

Jets

Technical Society

JETS stands for Junior Engineers Technical Society. This is an activity that is open to any student in grade 9-12 who is interested in math and science, and in learning about and possibly pursuing a career in a technical field. Contrary to popular belief, engineers are not just people who drive trains. One of our goals in JETS is to familiarize interested students with the various branches of engineering and careers open to them, and to look at various aspects of a technical career. We do many varied activities during the year which help us meet our goal. We do mini projects in the classroom setting and we take part in more extensive design projects sponsored by UVM, Norwich, and VTC.

Advisor: Roberta Fillioe

Poetry Club

The RHS poetry club provides students the opportunity to express themselves artistically, share views on matters of importance to them, and basically enjoy the loose, fun, creative atmosphere. Membership is open not just to poets, but also to writers of fiction, essays and articles. If you express yourself in writing, or even if you are just a fan, then we have a place for you! In the past we've enjoyed reading our work in the RHS Information Center, in the auditorium, and at our annual appearance at Book King in downtown Rutland. The group has also put together its own poetry pamphlet in the past. We are looking to continue these fun activities and add more as the club continues to grow.

Advisor: Steve French

Tri-M

Tri-M is the national music honor society. Members are selected based on grade point average, character and musicianship. Tri-M originated in Maine as a society to honor outstanding musicians, and was then called "The Maine Music Masters." As its popularity spread throughout the United States its name was reduced to Tri-M. Rutland's chapter, #2033, has been actively participating in recitals, fundraisers and emphasizing music related activities. Rutland's Tri-M officers this year include President Jennifer Stratton, Vice President Matt Getty, Secretary Michelle Gillette, Treasurer Charles Romeo, and historian Heather Cassidy. This academic year the members had several bake sales, recitals, a Name That Tune Contest, and get togethers including bowling and sledding. Tri-M is also helping to organize the All State Music Festival, which is located in Rutland this year.

Under the Lights

FOOTBALL

The 1999 Raider Football season was full of ups and downs. The Varsity record was not indicative of how well the team actually played, and only the die-hard fans will know how close each game was to being won. The Raiders stepped their game up a notch and played true Raider football against crosstown rival MSJ.

Although they lost by a touchdown, you can't measure the heart and emotion on a scoreboard. The Raiders will be back next year, so look out !!!!

Largest squad in history

Cheerleading

This year was a great year for the Rutland Varsity Cheerleading Squad. They had many obstacles they had to overcome during this year. They had nineteen new members, and only two were not freshmen. This young squad was very productive this year. They held a cheerleading clinic for fifth through eighth grade students.

They had a great turnout for this event. The squad was planning on participating in the second annual Poultney cheerleading competition, but it was cancelled at the last minute. The girls cheered at not only football games but they also cheered at boys and girls soccer and field hockey games. This was a successful year for this young team.

Friends in spirit; Jenna and Danielle.

Dave, Bryan and Chris get ready to warm up at the bonfire!

Go Team Go!

Boys Soccer

Captains Evan Hurley, Joel Leitchnam, Pat McKane and Kyle Wilson led this year's Varsity Boys Soccer team to a successful and productive 1999 season. The 12 other seniors on the team will also be missed next year. They won the annual Harry Loyzelle Tournament and made it to the Division I playoffs. Their final record of 9-3-2 gave them one of the best records ever as a RHS Varsity Boys Soccer team. Good luck to all the seniors and congratulations on a very successful season!!

Is Evan in heaven or what???

Stickin' It To 'Em

Field Hockey

The 1999 RHS Field Hockey team had only six seniors, but these girls had been together since freshman year. They got along, and worked well together, forming the backbone of the team.

Behind the leadership of captains Becky Daley and Kara Weir the team began their season with pre-season in August.

While the season had its ups and downs, the girls had tons of fun; whether it included beating Windsor at home for their first win, or performing the Sputnik Dance at the bonfire. The girls played every game with a lot of heart and gave it their all. Be careful, as next year's team will be unstoppable.

Senior Mike Audette wins the State Title

Cross Country

This year's Cross Country team was one of the largest ever, and was gifted with many talented runners. Everyone dedicated themselves and worked to reach their goals in one of the most physically demanding sports at RHS. The season saw great performances by individuals and by the teams as a whole. The girl's team ran to victory at

the MVL Championship and the SVL Championship. While seniors Margaret Maher and Mike Audette went on to compete at the New England Championships. With the leadership of the returning runners and dedication of all, both the girl's and boy's teams had seasons to be proud of.

SOCCER

MVL CHAMPS!!

GIRL'S SOCCER

The Girl's Varsity Soccer team had an outstanding season this year, setting many new records. The team finished 9-5-1 with 32 goals and 10 shutouts; all-time highs for the Rutland Girl's Varsity program. The girls ended the season undefeated in the Marble Valley League and as 1999 M.V.L. champions for the first time ever. In addition, four team members were nominated for the M.V.L. All-Opponents Team. Though the girls were defeated in the first round of playoffs by Colchester, their 1999 season stands out as their best ever. It also marks the end of Mr. Kinsler as a coach for the Raider Girl's. Mr. K will truly be missed by the team next season.

Indoor Track

This year the Indoor Track team has grown by leaps and bounds. Three years ago the total team number was 24 boys and girls. This year the girls team consists of 65 athletes and the boys consists of 25 athletes. This has made it difficult to compete as a whole team. For Dartmouth meets the Girls team had to split up, half went to Dartmouth and half went to UVM to compete on the same day.

Mike Audette has continued his winning ways by winning the Tri-State mile at Dartmouth Relays where he competed against top athletes from Maine, New Hampshire and Vermont.

The girls are doing just as well with the 4 by 200m relay team coming in first several times.

People outside the RHS program who have observed the track team compete have considered them a "powerhouse" this year.

Rutland Raiders

Boys Basketball

The Varsity boy's basketball team this year had an excellent season with only three seniors returning. The team is a young team overall with many juniors and sophomores seeing a lot of playing time. At the season's end the team was in second place in the Marble Valley League and looking forward to the playoffs. They won the annual Christmas Tournament again this year. It's becoming a tradition. The leading scorer this year was Kirk Sheldon, and Joel Leitchman had a personal record of 24 rebounds in one game. They finished the regular season with 13 wins and 7 losses. Congratulations to the whole team and continued good luck under their coach Dave Kinsman.

Varsity Has New Coach

Girls Basketball

The 1999-2000 Varsity Girl's Basketball season ended its regular scheduled season with a 7-13 record. First year coach, Toni Poalino, looks forward to improving upon this season's record next year. With the loss of only one senior player, Kate Murphy, the future is looking promising for the Raiders next season as several juniors and sophomores will be returning. The team has established a strong foundation and will focus on refining skills necessary to elevate their level of play. Once again, the Raiders were able to recapture the Rutland City Firefighters Cup for a six month period, having split games with cross-town rival MSJ. MSJ won the first game by a score of 35-25 and the Raiders accomplished a victory in the second match up with a score of 36-33. Even though the Raiders record did not reflect a winning season, the girls were able to maintain a positive attitude and continued to perform with intensity. They never gave up hope. Congratulations and good luck next year!!

RHS Hockey 1999-2000 Season

Ice Hockey

Losing only four seniors from last years team, everyone knew Rutland would be a force to be reckoned with this year. Advancing to at least the semifinals the last two years, the Raiders were looking to go to the Gut for the third year in a row.

The Raiders opened the season with a 6-1 victory over crosstown rival MSJ. After dropping their next five games, Rutland bounced back to win 13 of its next 14 games. With key senior leadership coming from Evan Hurley, Toban Crosby, and Gregg Bahnson the Raiders finished the regular season with an 11-6 record in the Lakes Division. Heading into playoffs, the Raiders were the 4th seed. On Saturday, February 19th, the Raiders hosted #5 Harwood at Royce Mandigo Arena in quarter final action. It was a close game all the way, but the Raiders won the hard fought battle, 2-1. It was onto Gutterson Field House to take on the Colchester Lakers in the Division II semifinals game. It was another close game and Rutland played well before bowing out 2-1 in their final game of the 1999-2000 season.

Some individual accolades received by players include, Division II Player of the Year, won by Evan Hurley. All-State First Team Honors also went to Evan Hurley and Gregg Bahnson. All in all it was a tremendous season! Thanks to all the coaches: Coach Olson, Steupert, and Coppinger and good luck to the seniors.

Division II Player of the Year: Evan Hurley

Alpine Skiing

A Giant Sweep...

Raider coach Greg McCallen said he was pleasantly surprised at how well the Rutland skiers have done this season. "Coming into the season, the only real experienced skier I had was Maggie", he said. McCallen said that Monson and Leonard "have made a huge difference for the team." "Both teams have been honing their skills by racing in the Eastern skiing competition over the past two years. "They're both very serious about their skiing."

On the boys team, Pat McKane was an important asset to their success. He helped the boys take home second place ranking in the state.

Maggie going for first, yea!

The team shows their skill during competition at the Keefe Gymnasium.

Winter Cheerleading

This has been a great year for the Cheerleading program at Rutland High School. The teams this year saw record numbers with twenty seven during the fall season and forty six girls on the winter teams.

Winter season was the only competitive season this year and a very exciting one at that. The Junior Varsity Team placed second at the Central Vermont Cheerleading Competition held at our own Keefe Gym. Although our Junior Varsity Team had small numbers with only seven members, they proved that great things can be accomplished regardless of size.

The Varsity Team also had a very successful season. They placed third at both the NVAC and State Cheerleading Competitions. They also earned the highest score of any cheerleading team in the history of the program at Rutland High School; they missed second place at states by two points. This was a great accomplishment for a team of mostly freshmen and sophmores.

Dun Cochrane and Margaret Mahar pose for a picture after they win the 5k at MountainMeadows.

X-Country Skiing

This year the Cross Country team under the guidance of coach Mike Gallagher faired very well. The girl's placed fifth overall in the state as a team. Margaret Mahar, personally won eight state titles and Dun Cochrane placed second in both of his state races.

The team practiced their free style and classic style of skiing at Mountain Top this year, returning after a brief time elsewhere.

The younger skiers this year also faired well. Marty Mahar, a sophomore, and Sara Vanderhoof, a junior, finished in the top twenty in the state.

Dun and Margaret have gone to the Junior Olympics in previous years and Margaret is returning this year. The Junior Olympics are being held in Jackson, N.H., a place where Margaret has skied before.

Margaret had a great year again!!!

Front Row: John Hollander, Lindsay Wraga, Margaret Mahar (Captain), Dun Cochrane (Captain), Elizabeth Tomsuden, Tamaera Mack. **Back Row:** Mike Gallagher (Coach), Marty Mahar, Annie Coppock, Ken Donahue, Pat Biddescombe, Erin Greene.

Rutland Historical Society and the Rutland Free Library.

Snowboarding

The Rutland Snowboarding Club is a group of thirty-one students who participate in three snowboarding events: Half Pipe, Park, and Giant Slalom. They were created in response to a groundswell of students' demand and look forward to becoming a Varsity sport in the future. We compete against eight other schools who have snowboarding as a varsity sport. Even though we are in our infancy as a sport at Rutland High School, we are highly competitive.

Freshmen Cast Their Ballots For Class Officers

That's Who I Voted For Too!

**“Some people come into our lives and
and leave footprints on our hearts.**

**quickly go. Some people stay for a while
And we are never ever the same.”**

This page had been created not to provoke our feelings of deep loss and pain, but so that we can remember the good friends we once had, and the memories we can forever keep.

Abigail Hart Carbine

Forever her beautiful smile will be in our hearts. We will always know that Abby exemplified the meaning of a true friend. She possessed the ability to make you smile, possibly the greatest gift of all. Everyone who knew her realized that she was something special, the ideal friend. Always smiling, ready to help you out and be there when you needed her the most. We love you Abigail Hart Carbine, and we will never forget the lessons you have taught us, and your memory will never fade from our lives.

- Christopher R. Graves

Erica Gene Kauppila

When Erica and her family moved to Rutland, no one knew the impact she would have on everyone she met. Immediately, you noticed this beautiful girl, always with a great attitude. Her bright smile and outgoing personality accompanied her everywhere she went. The room brighten as she walked in, and her presence remained there long after she left. Erica will remain in our mind and hearts forever. Let us take with us Erica's smile and spirit as we go along through life.

Working on the yearbook was great it was lots of fun. Thanks to my parents for helping me when I needed it. Thanks to all of my friends. Waiting in the line for SW:Eps. I was great. Can't wait till we go back for the next SW with all of my friends. Had a fun class. Hanging out with BC, GS, CW, AD, GM, AL, and AA will be cool.

1492 Thinking he has pioneered a westward route to the spice-rich East Indies, Christopher Columbus lands in the Bahamas. At the time of first European contact, about 90 million Native Americans live in North and South America.

1840 Stagecoaches offer public passenger service, and covering 15 miles a day is considered a good speed. The coaches travel in stages, changing horses at each stop. As a result, the stagecoach line is born.

1000 Pilgrimages to religious sites are seen as acts of faith. Roads and towns develop along the pilgrim routes, expanding trade and communication in Europe. Beginning in 1096, Crusades to the distant Holy Land expose Europeans to Arab culture.

1510 Spanish explorer Hernando Cortés introduces horses from Spain into the New World, changing transportation and culture for Native Americans. Cortés carries out a harsh conquest of Montezuma and the Aztecs.

- 1000** Leif Ericson reaches North America.
- 1119** Chinese invent magnetic compass.
- 1271** Marco Polo travels to China.
- 1580** Mercator creates his world map.
- 1750** First Conestoga wagons are built.
- 1830** Vulcanized rubber is invented.
- 1869** Transcontinental railroad spans U.S.
- 1894** First drive-in gas station opens.
- 1927** Lindbergh flies solo, nonstop over Atlantic.
- 1937** Hindenberg zeppelin crashes.
- 1961** Humans first orbit Earth.
- 1976** Supersonic passenger flight begins.
- 1983** Pioneer 10 spacecraft leaves solar system.
- 1997** Pathfinder and Sojourner explore Mars.
- 2000** Plotted balloon circles globe nonstop.

1690 Pirates terrorize the seas between 1690 and 1730. One of the most notorious pirates is Edward Teach, known as "Blackbeard." The fictional Captain Hook first appears in the 1904 play "Peter Pan" which inspires books, musicals and films throughout the century.

1776 During the Revolutionary War, a submarine is used in battle for the first time. Built by American David Bushnell, the one-person vessel is powered by a hand-cranked propeller. Twentieth-century submarines are complex, nuclear-powered craft used for defense and scientific purposes.

1700 Birchbark canoes provide transportation for many Native Americans. The canoes are made with a light wood frame covered with pieces of bark sewn together and made watertight with melted pitch.

1780 The first practical wheelchairs provide new mobility for those unable to walk. Early models of wheelchairs have three wheels and hand cranks to propel the chair forward.

1783 France's Montgolfier brothers launch the first hot-air balloon. Filled with smoke, the silk balloon rises to 6,000 feet. Later that year, the first passengers go aloft—a rooster, a duck and a sheep.

10000

1825 Travel by rail revolutionizes land transportation. British engineer Richard Trevithick invents the first steam locomotive in 1804, but it is 1825 before railroads haul passengers.

1863 Subways provide a new way to get around in ever-more-crowded cities. The world's first underground railway opens in London in 1863. By 1904, New York City inaugurates its first rapid-transit subways.

1908 Henry Ford's moving assembly line makes cars affordable to the masses. Ford produces the first Model T in 1908. In 1964, the sporty Ford Mustang rolls out at \$2,368 and sets an all-time record for first-year sales of a new model.

1903 Humans achieve powered flight. The first flight of Wilbur and Orville Wright's Flyer lasts 12 seconds and carries Orville to a height of 10 feet above the beach at Kitty Hawk, N.C.

- 1913** First drive-in gas station opens.
- 1927** Lindbergh flies solo, nonstop over Atlantic.
- 1937** Hindenberg zeppelin crashes.
- 1961** Humans first orbit Earth.
- 1976** Supersonic passenger flight begins.
- 1983** Pioneer 10 spacecraft leaves solar system.
- 1997** Pathfinder and Sojourner explore Mars.
- 2000** Plotted balloon circles globe nonstop.

1912 On her maiden voyage, the great steam passenger ship *Titanic*, thought to be unsinkable, goes down after hitting an iceberg in the North Atlantic. Of the more than 2,200 persons aboard the ship, about 1,500 perish.

1950 First built in 1903, the Harley-Davidson becomes America's best-known motorcycle in the 1950s. Raw power and a distinctive rumble appeal to rebels of the 1950s and 1960s and to business executives of the 1990s.

1956 Freeways change the nature and pace of travel in America. In 1956, President Eisenhower authorizes construction of the Interstate Highway System. By the 1990s, this nationwide network includes more than 42,500 miles of highways.

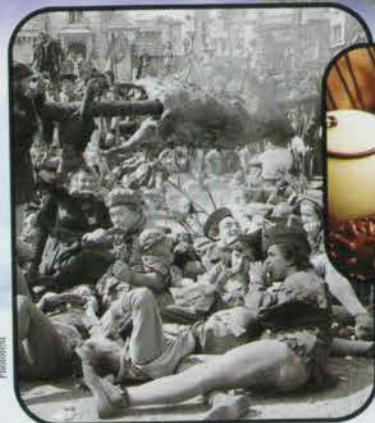

1969 Man walks on the moon. Apollo 11 astronauts Neil Armstrong and Buzz Aldrin plant the American flag 238,000 miles from Earth as an estimated 600 million people on Earth watch on television.

1998 Orbital construction of the International Space Station (ISS) begins in 1998 when space shuttle *Endeavour* crew members connect the station's first two sections. ISS is to become the largest cooperative space mission in history.

20000

Food

As the millennium begins, European peasant food is plain and often scarce. Feasting on meat is reserved for the wealthy. Table utensils include only a knife; most people just eat with their hands. Slabs of dense bread, called trenchers, serve as plates.

Chocolate from the New World takes Europe by storm. Brought to Spain from Mexico, chocolate is so costly that Europeans water it down for use as a drink. Natives of Mexico have prized chocolate since ancient times.

Europe's first coffeehouse opens in England. By 1700, there are 2,000 coffeehouses in London alone. Early coffeehouses are important places to transact business. Lloyd's Coffeehouse evolves into Lloyd's of London, the giant insurance brokerage.

John Montagu, 4th Earl of Sandwich, instructs his servants to bring him his meat between two pieces of bread. This way he can eat with one hand while continuing to play cards with the other. The term "sandwich" is born.

Domestic ice chests provide early refrigeration. Blocks of ice are cut, delivered to homes and sold for use in kitchen ice chests. It is the early 1930s before reliable electric home refrigerators are in common use.

Alexander Campbell, Brooklyn, is the first to deliver milk in glass bottles. For many years the neighborhood milkman is the most common way to obtain fresh milk, before the age of supermarkets.

Swanson creates the TV dinner, sold in boxes designed to look like television sets. Frozen dinners are possible because of Clarence Birdseye's 1929 invention of early methods for freezing food.

America's first large self-service supermarket opens, followed by the invention of the grocery shopping cart in 1937. During the Depression, supermarkets become a significant part of the food distribution network.

Choices expand in school lunch programs. A growing number of public schools begin featuring national fast-food outlets and soft drink brands in the school lunchroom.

Sports and Games

Archery competition is a common pastime in the Middle Ages. Archery skill is so important that English kings ban football because it takes men away from archery practice.

Europeans use engraved wooden blocks to print playing cards, one of the first uses of printing in Europe. Playing cards come to Europe from the Middle East during the Crusades.

Golf is a popular sport in Scotland. In 1552, Saint Andrews is a favorite place for golfing. Mary, Queen of Scots is reportedly the first woman golfer and helps spread golf's popularity in Europe.

Soccer is first played in America, using a sheep's bladder as a ball. As the millennium closes, millions of American youth play in organized soccer leagues. In 1999, the U.S. women's soccer team wins the World Cup.

Baseball is first played as an organized sport at Hoboken, N.J., when the New York Club defeats the Knickerbocker Baseball Club on June 19. More than 100 years later, Jackie Robinson breaks the color barrier in major league baseball in 1947.

Parker Brothers introduces Monopoly, which becomes one of the world's most successful board games. By the late 1990s, the popular game is available on interactive CD.

Athens, Greece, hosts the first modern Olympics. Winter Games are not held until 1924. At the 1998 Winter Olympics, American figure skaters Tara Lipinski and Michelle Kwan win the gold and silver medals respectively, and China's Lu Chen wins the bronze.

Game shows become widely popular TV fare in the 1950s. One of the top 10 shows of 1959, NBC's "The Price Is Right," still draws large audiences in 1999 on CBS, where it is the longest-running game show in television history.

Michael Jordan, considered by many to be basketball's greatest player, retires from the NBA. His talents lead the Chicago Bulls to six NBA championships in the 1990s.

Communication

1300 Sign language is a means of communication for some early cultures. It bridges language differences between societies and eventually evolves into a formal alphabet for communication by the hearing impaired.

1594 William Shakespeare's "Romeo and Juliet" is first performed. London's Globe Theater opens in 1599, where many of his plays are staged. By 1600, the great playwright pens at least 20 plays.

1455 Johann Gutenberg invents a way to mass-produce the written word. He devises the first Western movable-type system and a new kind of printing press. Gutenberg's inventions speed the spread of knowledge and literacy.

1000 Literacy is reserved for the clergy and a few students. Monks and scribes laboriously copy books by hand using goose-quill pens. Books are such rare treasures that in some libraries they are chained to the shelf.

1775 One if by land, two if by sea. Lanterns signal the advance of British troops, and Paul Revere rides to warn American colonists of the attack. His famous ride also signals the beginning of the American Revolution.

1826 Frenchman Nicéphore Niépce creates the first permanent photograph. His partner, Louis Daguerre, carries Niépce's work further by inventing a process of capturing images on metal plates.

1807 American Christopher Sholes invents the typewriter. To keep rapid typists from jamming the keys, Sholes designs the keyboard so that frequently combined letters are located far apart. This layout lasts into the computer age.

Instant long-distance communication is possible. Samuel Morse invents the telegraph and a dot-dash code to carry messages over a wire. In 1851, Hiram Sibley founds Western Union Telegraph Company.

1869 Austria introduces the first postcards. For only pennies, postcards keep people in touch before telephones are common. Calling cards, commercial valentines and other printed personal greetings are popular customs.

1870 Inventor Thomas Edison patents a practical electric light bulb. Electric lights have a profound effect on society, increasing opportunities for reading, writing, socializing and working.

1876 Alexander Graham Bell patents the telephone. By the end of the millennium, missing a phone call is almost impossible as answering machines take instant messages. Cell phones, beepers and voice mail expand communication options.

1895 Guglielmo Marconi invents the radio, providing a way for sound to travel long distances without the use of wires. During the 1920s and 1930s, radio is the primary source of news and family entertainment for most Americans.

1930 Movie making experiences a "golden age" in the late 1930s and early 1940s. In 1939, *Gone With the Wind* and *The Wizard of Oz* premiere. *Citizen Kane* follows in 1941, and *Casablanca* in 1942. Studio giants are MGM, Paramount, RKO and Warner Brothers.

1945 Television is invented in 1926, and regular network TV broadcasts begin after World War II. One of TV's most popular shows is CBS's "I Love Lucy," premiering in 1951. Television transforms almost every aspect of life in the twentieth century.

1956 Elvis Presley's unique blend of blues, country, rock and gospel draws adoring fans and makes him "the King" of rock and roll. In 1956, his debut album becomes the first in history to sell a million copies.

1997 Millions of people worldwide cruise the Information Highway via the Internet, and instantaneous e-mail communication becomes common. As the millennium ends, computer, TV, video and telephone technologies begin to converge.

1100000

2200000

Fashion

1100 Medieval knights wear a short wool tunic and a coat of chain mail. Gauntlets (heavy leather gloves) and sword complete the attire, which is so costly only wealthy men can afford to be knights.

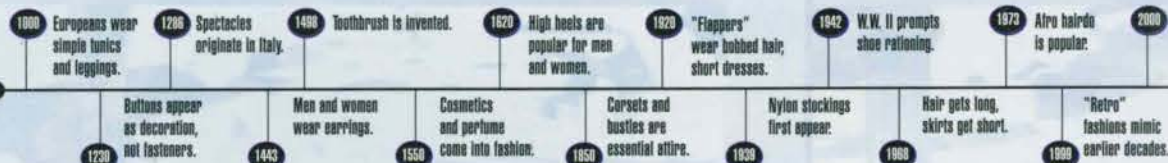

1278 Crusaders return from the Middle East with new ideas, including that of the glass mirror. In 1278, the glass mirror is produced in Venice, Italy, and Europeans see themselves clearly for the first time.

1550 Queen Elizabeth is the fashion trendsetter, popularizing the wide skirt, jeweled wig, high bald forehead, and decorative ruff around the neck. She is rumored to have 3,000 dresses.

1300 Medieval men's shoes have long, pointed toes. Individuals of higher social status are allowed to have longer points on their shoes, some as long as 18 inches. Moss stuffed into the toe maintains its shape.

1670 Men and women wear elaborate powdered wigs made of human hair, horsehair and goat hair. Because the large wigs are heavy and hot, some people shave their heads and wear a cloth cap under the wig to absorb perspiration.

Levi Strauss & Company Archives

1855 Young Levi Strauss comes to America in the 1850s and makes riveted canvas work pants for California gold miners. When he switches from canvas to blue denim, Strauss unknowingly creates one of America's greatest contributions to fashion.

Henry Diltz/Corbis

1960 With flowers in their hair and everywhere, hippies express their philosophy of world peace and love. Hippies favor bell-bottom jeans, granny dresses, bare feet, long hair, beads, headbands and bright colors.

Kenn Owsen/Stock Market

1992 Indoor malls are popular with teens not only for shopping, but also for socializing. The first enclosed mall is built in 1956. In 1992, the Mall of America, the largest mall in the U.S., opens in Minnesota.

Granger Collection

1800 The Industrial Revolution brings mass-produced textiles, standard clothing sizes and the first ready-to-wear garments. In 1851, Isaac Singer invents the home-use sewing machine.

EPH

Evan:

On Monday, November 2, 1981 you were born into our world; and forever our lives would change. You were painfully bashful as a child but you have evolved into a caring and loving adult. You are a tribute to your family, school, community and most importantly to yourself. We wish for you the very best life has to offer.

With all our unconditional love,

Sean, Mom and Dad

Michael Audette

Michael,

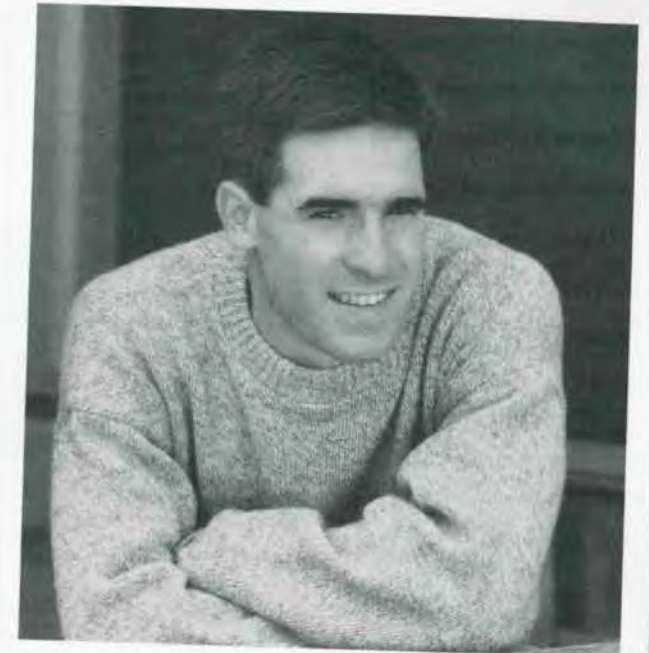

You have been our pride and joy from the beginning. We are so proud of the fine young man you have become!

Congratulations on all of your accomplishments!

Our love and best wishes for health, happiness and success are with you as you go forward on your life's journey.

Love,

Mom, Grandma and family

Allison Maslack

AS WE LOOK BACK ON YOUR SCHOOL YEARS WE ARE SO PROUD OF THE WAY YOU HAVE FACED YOUR CHALLENGES AND WORKED TOWARD YOUR GOALS. YOU ARE A WONDERFUL TALENTED SENSITIVE PERSON. WE KNOW YOU WILL DO WELL IN WHATEVER YOUR FUTURE HOLDS

KEEP SMILING! ENJOY LIFE!

MAY YOU ALWAYS BE HAPPY!

*WE LOVE YOU,
MOM DAD AND KATIE*

World News

AP/Wide World Photos

As part of Rome's continuing restoration, the city unveils a plan to create an 18,000-square-yard rambling space connecting the Imperial Forums with the Roman Forum.

AP/Wide World Photos

In September, more than 300,000 Japanese are checked for radiation exposure after an inadvertent nuclear reaction at a uranium processing plant.

EgyptAir Flight 990 crashes into the Atlantic Ocean on October 31, killing all 217 people on board. Although suspicious actions of a pilot are under scrutiny by American and Egyptian officials, the cause of the crash remains a mystery.

Reuters/STC/Steve Photos

On October 12, the world's official population hits 6 billion. The designated 6 billionth human is a baby boy born in Sarajevo.

AP/Wide World Photos

In an October coup, the Pakistani army dismisses elected Prime Minister Nawaz Sharif and his government after Sharif announces the removal of his powerful military chief, General Pervez Musharraf.

AP/Wide World Photos

Flash

Britain's Prince Edward marries longtime girlfriend Sophie Rhys-Jones on June 19.

Cuban Elian Gonzalez, 6, becomes the center of a bitter citizenship debate after surviving a November boat wreck off the Florida coast in which his mother dies.

AP/Wide World Photos

In a violent October coup, gunmen storm the Armenian Parliament and assassinate Prime Minister Vazgen Sarkisian and six other top officials.

AP/Wide World Photos

In India, two trains collide head-on in August, killing 285 people and injuring more than 300. It is one of the worst train disasters in the country's history.

1999

AP/Wide World Photos

In June, Thabo Mbeki succeeds President Nelson Mandela, South Africa's first democratically elected president.

AP/Wide World Photos/Chris Clark-west

Leonardo da Vinci's "The Last Supper" is unveiled in June after 21 years of restoration. The centimeter-by-centimeter rehabilitation cost \$7.7 million and involved electronic microscopes.

Liaison Agency

After almost nine years in power, Russian President Boris Yeltsin announces his resignation in January 2000. Yeltsin names Prime Minister Vladimir Putin acting president pending elections in March.

Pierre Venturi/Cordia Sigma

In September and October, powerful earthquakes strike around the globe, killing 15,000 people in Turkey, 1,450 in Taiwan and at least 122 in Greece.

Flash

A tropical depression producing heavy rain hits Mexico in November. The resulting floods kill more than 350 people and cause 100,000 to evacuate.

In August, the U.S. pays \$4.5 million to victims of NATO's accidental bombing of the Chinese embassy in Belgrade. Three Chinese are killed and 27 are wounded in the May 1999 bombing.

AP/Wide World Photos

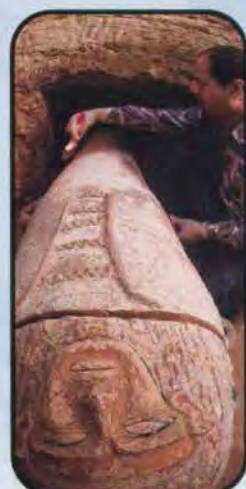

On December 31, the U.S. returns control of the Panama Canal to Panama. Opened to the world in 1914, the canal is considered one of the greatest construction achievements in American history.

2000

In September, Russia begins a military campaign against Chechen nationalists to regain control of the breakaway republic. More than 200,000 people flee the region, but a fierce rebel resistance stays to fight for control of the capital, Grozny.

Archaeologists excavate 105 mummies in a 2,000-year-old underground Egyptian tomb believed to contain a total of 10,000 mummies. The necropolis will shed new light on the Greco-Roman era and will allow scholars to chart demographic data and the incidence of disease.

AP/Wide World Photos

In December, torrential rains cause Venezuela's worst natural disaster of the century. Mudslides and flash floods kill up to 30,000 people, while damage estimates run into the billions of dollars.

National News

In July, John F. Kennedy Jr., 38, his wife, Carolyn Bessette Kennedy, 33, and her sister, Lauren Bessette, 34, die in an airplane crash in the Atlantic Ocean near Martha's Vineyard. Kennedy, a relatively inexperienced pilot, is believed to have become disoriented in heavy fog.

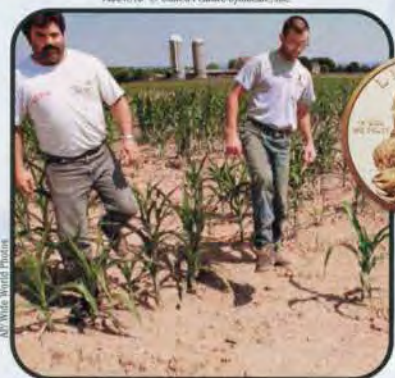

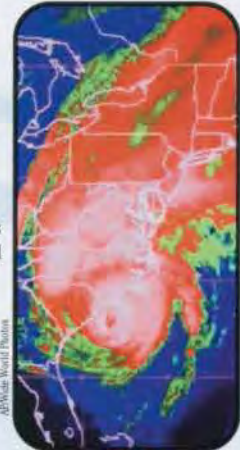

Cartoonist Charles M. Schulz retires in January 2000, bringing an end to PEANUTS, America's most popular comic strip for almost 50 years. Schulz dies in February, the night before his last strip runs in the national newspapers.

As a way to boost tourism, Chicago displays 301 life-size, fiberglass cows decorated by local artists. The public art exhibit lasts all summer until the cows are auctioned for charity.

Hurricane Floyd strikes the East Coast in September, killing 51 people and destroying over 4,000 homes. North Carolina is hardest hit with total damages estimated at a record \$6 billion.

The drought of 1999 causes severe damage to Northeastern and mid-Atlantic farms. Several states impose mandatory water use restrictions and emergency federal loans are made available in Maryland, Pennsylvania, Kentucky, Ohio, Virginia and West Virginia.

Lewis and Clark's Native American guide Sacagawea is featured on a new gold-colored dollar coin released into circulation in early 2000.

Beginning in 1999, the U.S. Mint releases specially designed state quarters, the first five representing Connecticut, Georgia, Delaware, Pennsylvania and New Jersey. By 2008, each state will have its own quarter.

President Clinton announces the removal of the American bald eagle from the endangered species list. In 1999, there are over 5,800 breeding pairs, an increase from 417 in 1963.

Flash

In August, a rare tornado strikes downtown Salt Lake City. Winds up to 112 miles per hour make it Utah's second-worst tornado in history.

In July, Air Force Colonel Eileen Collins, 42, becomes the first woman to command a U.S. space shuttle mission.

In November, a 60-foot log tower collapses at Texas A&M University, killing 12 students and injuring 27. The tower was to be burned at a traditional bonfire pep rally.

1999

In November, protesters at the World Trade Organization (WTO) summit in Seattle provoke a show of force by local, state and federal officers. Protesters blame the WTO for eroding human rights and labor and environmental standards.

In August, a female panda is born at the San Diego Zoo. Hua Mei, which can mean "China USA" or "Splendid Beauty," is the first panda born in the Western Hemisphere in nearly a decade.

A bumper sticker invites drivers to call a toll-free number to report reckless driving. Officials hope the system will help parents stay informed about their teenagers' driving habits.

On April 20, 1999, the nation mourns after two students go on a shooting rampage at Columbine High School in Colorado, wounding 23 and killing 15, including themselves. Schools across the country take extensive security measures to ensure the safety of students and staff.

An epidemic of rampage shootings intensifies America's growing concern over gun control. Many state legislatures pass new gun-control measures despite nationwide controversy over restrictions vs. Second Amendment rights.

In an effort to ease the burden on the traditional courts, most states now offer teen court for juvenile offenders. After determining guilt, a jury of teens along with a judge decides the sentence, typically community service and financial restitution.

Despite 30 years of official denial, in December a jury finds the assassination of Reverend Martin Luther King Jr. was the result of a conspiracy, not the act of a lone gunman.

Flash

In the first such admission by a cigarette manufacturer, Philip Morris publicly concedes tobacco is addictive and can cause serious diseases.

Hillary Clinton announces her candidacy for a U.S. Senate seat from New York. As law requires, Clinton establishes New York residency in suburban Chappaqua.

In September, Microsoft Corp. Chairman Bill Gates and his wife Melinda announce the creation of the Gates Millennium Scholars Program. The Gateses will donate \$1 billion over the next 20 years to finance scholarships for minority college students.

To mark the 30th anniversary of the first moon landing, astronaut Neil Armstrong's lunar footprint is featured on a 1999 postage stamp.

BUS Lifestyle News

Cosmetic companies increasingly use entertainment celebrities instead of models for their advertisements. Sarah Michelle Gellar, Jennifer Love Hewitt, Jennifer Lopez and Shania Twain are among the celebs who appear in ads.

The fashion accessory of 1999 goes by many names—power beads, mood beads and prayer beads. Many sellers claim the beads boost tranquility, energy, creativity and intelligence.

With the huge increase in cell phones, many cities enact laws restricting their use while driving. Restaurants and theaters are also requiring patrons to turn phones off as a courtesy to others.

In August, a Levi Strauss & Co. megastore opens in San Francisco. The store features a hot tub where shoppers can soak in their jeans for the perfect fit and a computer-scanning system to help customers get the right size.

Airlines begin installing elaborate in-flight entertainment systems that allow passengers to watch movies, play computer games, listen to music, read headlines or browse the Internet.

A continuation of the cargo pants trend, messenger bags with pockets galore hang at the hips of teens everywhere.

Apple Computer introduces its new iBook laptop in September. The super-slim, neon-colored units follow the highly successful launch of the translucent iMac desktop.

Flash

In December, Honda introduces Insight, a car that combines a conventional gasoline engine with a small electric motor, decreases ozone and carbon dioxide emissions and gets 80 mpg.

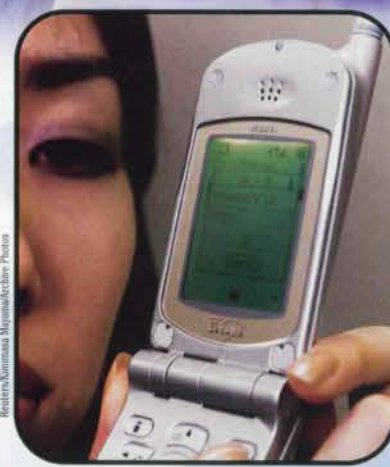

Several companies offer "digital wallets" for teens who want to shop online but don't have credit cards. Parents deposit money into an online account; then teens can spend the money at designated Web sites.

1999

A new line of scented candles called Aromapharmacy comes in amber glass containers and looks like prescription drug bottles with creative names such as Ritalert, Cramprin and Valiumello.

http://

Wireless Web access becomes a reality in September when Sprint PCS announces the first nationwide wireless data service. Shortly thereafter, several other providers debut similar service for hand-held Web phones.

Magellan, a satellite navigation system for motorists, offers complete U.S. mapping data, voice and visual instructions in seven languages, turn-by-turn directions and a library of points of interest.

Shawls and wraps show up everywhere in the fashion world. Hollywood celebrities like Salma Hayek sport the fashion trend in all colors and fabrics.

A Gap TV advertisement for vests starts a trend across America that has teenagers wearing the fashionable sleeveless jackets.

Several rappers start their own clothing lines, making hip-hop wear big business. Popular artist labels include FUBU, Roc-A-Wear, Phat Farm, Wu Wear, Sean John and X-Large.

Flash

Teenagers need an average of nine hours and 15 minutes of sleep a night, according to research at Brown University's Bradley Hospital. The study also shows a direct correlation between school grades and duration of sleep.

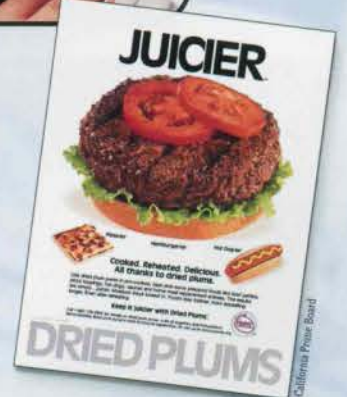

An influx of dot-com companies advertise on television. Ads during the Super Bowl sell for an average of \$2.2 million per 30-second commercial.

2000

Inline skaters can now power themselves along with the new Roller Cycle Personal Power Accelerator featuring a 1.5-hp-driven wheel. An optional spiked rubber tire for traction makes it also possible to use while cross-country skiing.

Stretchy nylon jewelry that looks like skin tattoos is a big hit in 1999. The nylon bands are worn around necks, wrists, arms and ankles, and come in several colors.

A growing number of U.S. school cafeterias offer pruneburgers, a healthy low-fat combination of hamburger and prune puree. Other prune items in the works include hot dogs, pizza sauce, barbecue sauce and gingerbread cookies.

Entertainment News

President
The Sixth Sense with Bruce Willis and Haley Joel Osment is the No. 1 box office hit for five consecutive weekends in the summer.

Video game fans snap up a record 15,000 copies of Sega's highly anticipated Dreamcast system in the first 24 hours after its launch in September.

ABC's summer fill-in quiz show "Who Wants to Be a Millionaire," with host Regis Philbin, returns in November and is a huge hit with viewers. By January 2000, several major networks launch quiz shows of their own.

After 19 nominations, Susan Lucci finally wins an Emmy Award for best actress in a daytime drama series for her role as Erica Kane on the ABC soap opera "All My Children."

President
The Blair Witch Project, the year's surprise movie hit, is the documentary-style footage of three students lost in the Maryland woods and threatened by the presumed Blair Witch. The film costs \$100,000 to make and grosses \$140 million.

Launched in January 1999, MTV's "The Tom Green Show" becomes one of the season's most popular shows. The Canadian host's bizarre man-on-the-street pranks are the show's main attraction.

President
Jennifer Love Hewitt leaves "Party of Five" to star in her own Fox television drama, "Time of Your Life." The show focuses on Hewitt's character trying to make it in New York while searching for her biological father.

Flash

Tom Hanks and Tim Allen return as the voices of Woody and Buzz Lightyear in the animated feature Toy Story 2. The sequel breaks box-office records during its Thanksgiving release and wins a Golden Globe award.

In a botched stunt, WWF wrestler Owen Hart falls from the rafters at Kemper Arena and dies in front of 16,300 fans.

President
In June, Mike Myers' sequel Austin Powers: The Spy Who Shagged Me proves to be a bigger hit than the 1997 original. Dr. Evil's alter ego Mini-Me is extremely popular even though he has no lines.

1999

Kosumi Corporation of America, Inc.
The new arcade game Guitar Freaks features two guitar controllers and a screen to help players follow along to popular songs.

President
In December, actor Jim Carrey portrays zany comedian Andy Kaufman in Man on the Moon. Carrey wins a Golden Globe award for his performance.

American Beauty, starring Kevin Spacey, Annette Bening and Thora Birch, captures the Golden Globe Best Drama Award. The dark satire of suburbia and family dysfunction receives a total of six Golden Globe nominations.

President
Set in 1980, the critically acclaimed NBC show "Freaks and Geeks" follows two groups of teens trying to make their way through high school.

President
The long-awaited prequel Star Wars: Episode I The Phantom Menace hits theaters in May 1999, taking in a record-breaking \$28.5 million on its opening day and going on to gross more than \$420 million.

President
Medusa, the world's first floorless roller coaster, opens in August at Six Flags Great Adventure in New Jersey. The 4,000-foot, toe-dangling ride has enough drops, loops, rolls and corkscrews to thrill every rider.

Flash

Michael J. Fox announces in January 2000 he will leave the popular ABC sitcom "Spin City" at the end of the season to promote awareness of Parkinson's disease in hopes of finding a cure.

After 10 seasons, Fox cancels the hit show "Beverly Hills, 90210." The show followed characters through high school, college and careers.

President
In September, the New Roc City entertainment center opens in New York. The complex includes an amusement park ride on the roof, two skating rinks, 19 movie screens, restaurants, an arcade, a health club, a supermarket and a hotel.

The Berett Collection
The Talented Mr. Ripley, starring Matt Damon, Gwyneth Paltrow, Jude Law and Cate Blanchett, opens in December and earns popular and critical praise.
